

Baltimore County Citizens' Police Academy

The Citizens' Police Academy is a 16 week program held annually. The academy gives attendees the opportunity to see the benefits of public service and learn about the challenges and demands associated with law enforcement. Attendees will learn about police units and participate in practical applications that demonstrate the aspects of the police officer's job. The academy is designed to give the attendees exposure as to why police respond to various situations in a particular way and how they ultimately handle those situations.

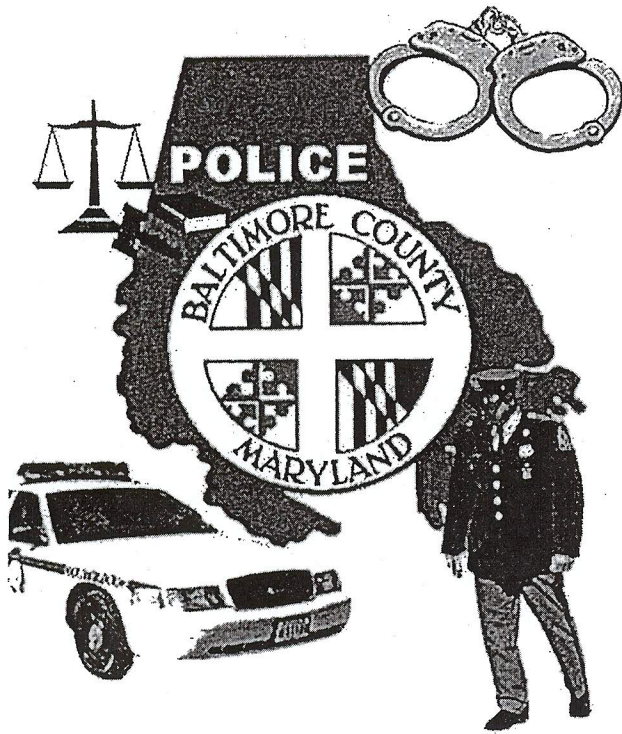

The ultimate goal of the Citizens' Police Academy is to foster relationships between law enforcement, communities, and businesses. The Baltimore County Police Department hopes to create an alliance that leaves us with voices in the community to act as ambassadors to build solid partnerships, thus creating a better quality of life for those we serve.

The 35th Citizens' Academy class is scheduled for March 3, 2016 – June 9, 2016, on Thursday evenings at 6:30pm – 9:30pm, and Saturday at 9:00 am – 3:00pm. Saturday date to be announced.
